4. Activities
5. Two forces technology transfer
6. Technology transfer activities
7. Stakeholders/Parteners
8. Support structure

Who we are

OTIC.IPP presents itself as a link between the academic world from Polytechnic of Porto and the business universe.

Objetives:

- foster and promote collaboration between the academic world, business and social environment
- develop a project to exploit and disseminate innovation, knowledge and entrepreneurship

What we do

OTIC.IPP follows four strategic axes:

Entrepreneurship

- Poliempreende (innovation contest)
- Consultancy
- Business club
- Incubation

R&D projects

- FCT - national founding agency
- European projects
- Project management

Intellectual property

- Patents promotion
- Technology protection
- Courses

Knowledge Valorisation

- Licensing
- Management of the technological portfolio

Technology Transfer Activities

Industrial Property

- ✓ Support in protecting the results of R&D activities;
- ✓ Basic advice on Industrial Property;
- ✓ Training in Industrial Property;
